

# Audi Cape Town MVP Day

---

*Welcome to Audi Cape Town's first MVP day.*

Firstly big thanks to Wernich Stipp from Audi CT for supporting this event and allowing us to spend a morning driving around the best city in the world in some of the best cars in the world.

The idea is to get Audi into the hands and minds of the most influential digital media people in CT (i.e. you) and have some fun. (If you want to write/talk/tweet etc about it all the better, but it's up to you)
